

[Original 2008 Mozambique Nationwide](#)

Estimate	7187
95% Confidence Interval	5269
Variance	6486304

[Post 2008 surveys that were covered by the 2008 Mozambique Nationwide survey](#)

	95% Confidence		Variance
	Estimate	Interval	
2011 Cabo Delgado (partial)	290	208	11261.97418
2011 Quirimbas National Park	555	448	52244.89796
2009 Niassa adjent block	2537	1289	432507.5489
2012 Gile National Reserve	21	145	5472.980008
2009 Massangena West	136	201	10516.71179
2010 Magoé East	519	242	15244.68971
Total	4058		527248.8026

[2008 Rest of Mozambique Landscape](#)

Estimate	3129
Variance	7013553
95% Confidence Interval	5190.69

Due to a few assumptions the submission was entered as an Informed guess instead of and Aerial Sample count with:
Minimum Population estimate 3129 (Estimate)
Maximum Population estimate 8319.69 (Upper CL)

Integretion of the 2008 Rest of Mozambique Range into the Mozambique pooled estimates the pre-2008 surveys that the 2008 Mozambique survey covers were replaced i.e.

[1998 Inhambane Province](#)

[1998 Manica Province](#)

[2002 Mecuburi Forest Reserve](#)

[2002 Moribane-Chimanimani Forest Reserve](#)

[1999 Sofala Province](#)

[1998 Zambezia Province](#)
